

# WIRELESS SENSOR SOLUTIONS

## The Complete Climate Monitoring Package

The Broiler package includes the following: 3x Temperature/humidity sensor, 1x CO<sub>2</sub>/Temperature sensor, 1x Base station, 1x Ping Pong Set & 1x carry case

### Aranet Optional Pressure sensor

- AIR PRESSURE
- IP CLASS 65
- UP TO 12 YEAR BATTERY LIFE
- UP TO 3 KM LINE-OF-SIGHT RANGE

### Aranet PRO base station

- 100 SENSORS PER BASE STATION
- FREE SOFTWARE
- CENTRALIZED DATA COLLECTION
- UP TO 3 KM LINE-OF-SIGHT RANGE

### Aranet T/RH IP67 sensor

- IP CLASS 67
- UP TO 10 YEAR BATTERY LIFE
- TEMPERATURE, RELATIVE HUMIDITY MONITORING
- UP TO 3 KM LINE-OF-SIGHT RANGE

### Hard Carry Case

### Aranet CO<sub>2</sub> and Temperature sensor

- CO<sub>2</sub>, TEMPERATURE AND ATMOSPHERIC PRESSURE MONITORING
- IP CLASS 67
- UP TO 8.4 YEAR BATTERY LIFE
- UP TO 3KM LINE-OF-SIGHT RANGE

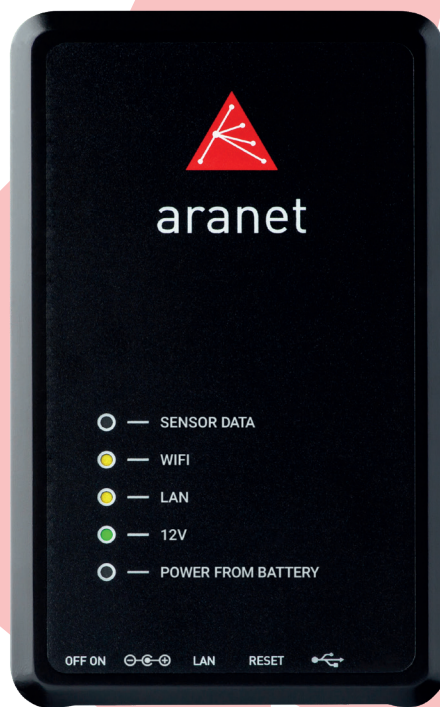

### Aranet Signal Tester Sensor

- IP CLASS 42
- UP TO 12 YEAR BATTERY LIFE

# MONITOR > COLLECT > ANALYZE

- ✓ This unit sits in each “room” and delivers a visual reading of temp, humidity and most importantly CO<sub>2</sub>.
- ✓ Networked solution – up to 100 Aranet devices in a single long-range wireless network via the **Aranet PRO base station**.
- ✓ Climate data can be accessed via your mobile device. Offering continued flexibility.
- ✓ **Centralised data monitoring** for a complete overview of the situation.
- ✓ Possible upgrade to **Aranet Cloud** – network virtually limitless number of Aranet devices from different locations with advanced analytics, visualizations and much more.
- ✓ Access to professional technical support.
